PRINCIPAL'S WORD

Dear Parents,

Nearly at the end of Term 2 and we are looking forward to the Music Night on June 12th – most of our students will feature so we look forward to seeing the whole school community there for the night at 7pm. There will be hot food available for sale at the canteen from 6.30pm.

The following week is the Theatre Performance Night for Years 7-12, on Weds June 18th – food also available at the canteen.

There will also be raffles on the nights, we are still looking for donations for prizes.

On Wednesday June 11th, students studying a VCE subject (including some Year 10s) will sit their General Achievement Test (GAT) at Boronia. We wish them all luck for that. The Year 11 and 12 VCE students are then having a day at Marybrooke on Wednesday June 25th, focusing on their wellbeing at what can be a very stressful time of young people's lives.

Just a reminder that all students, including VCE students, need to have written permission from a parent or guardian before they're allowed to leave the school grounds. This is to ensure that your children are safe and cared for. Our focus this year is on the whole child – their wellbeing as well as their education and wellbeing. If students miss too much school, it is hard to maintain a consistent approach to their wellbeing. Did you know that missing an average of 3 weeks of school (15 days) per year means half a year will be missed by the end of primary, and nearly a whole school year by the end of Year 12?

Reports will be coming home with your child on the last day of Term 2 – Friday June 27th. Please note we will finish at 2.30pm that day. We wish everyone a well-earned and safe break and see you back here on July 14th at 9am.

Sue Holmes, Acting Principal

Whole School Camp

All students should have received a permission form for the Whole School Camp at Allambee Camp, West Gippsland in December. Allambee provides outdoor activities for all ages and should provide an exciting and challenging few days for all. Please get your permission forms and deposits back to us as soon as possible if your child is planning on attending, to secure a place.

Woolworths BBQ

The Fundraising Team has had a late offer to run a BBQ at the Masters store on Ferntree Gully Road on Sunday June 15th. This should be a good source of fundraising for the school for the year. If any families are able to help out that day, please let Amara know. We need enough volunteers to cover any who are unable to help out at the last minute. Thanks.

Grounds Sub-Committee Meeting

Upkeep and maintenance of the school grounds is a big job, and one that would not be possible without the help of parents. If anyone would like to get involved with School Council's Grounds Sub-Committee, the next meeting is on Wednesday June 11th at 2pm.

If you would like to help in any way...

There are plenty of ways you can get involved with the school. We actively encourage all families in the school community to help out and are particularly in need of help with Breakfast Club on Tuesday and Thursday mornings before school, as well as in the Canteen in the mornings, during school hours.

We also have a range of School Council Sub-Committees which are actively working to support the school, and which you do not need to be a member of School Council to join. These include: Grounds, Fundraising, Education, Communications. Let Dot know and she will pass on the message to the relevant School Council member.
